Education

● **Bachelor of Science in Engineering (3.35 GPA)**

Izmir University of Economics
2021-Present

● **High School Degree**

Suphi Koyuncuoğlu Anatolian High School
2017-2021

Language

Turkish	██████████
English	███████
German	████

Coding Skills

Java	Javascript
HTML/CSS	Next.js
C/C++	Python
Flutter	Dart
Express.js	MySQL/SQLite
Gradle	EJS/Pug
MongoDB	Flask
Jinja	Tailwind

Projects

Syllabus Controling & Versioning System (Windows Desktop App)

SE 302 | Principles of Software Engineering — 24 December 2023

An Offline Dictionary (Windows Desktop App)

CE 216 | Fundamental Topics in Programming — 8 May 2023

A Command Line Game (Similar to Cannon Fodder)

SE 116 | Introduction to Programming II — 11 June 2022

Achievements

Inovative Thinking & Entrepreneurship Project

SOCAR Türkiye & Izmir M.E.M — 20-21 December 2018

Introduction to Computer Engineering Winter School for High Schools

Ege University CE Department — 28 December 2019

Project of Çark-ı Tarih

TÜBİTAK Project 4006 — 25 April 2019

Certificates

Basic Occupational Health and Safety Training

Izmir University of Economics — 7 August 2022

Official Participant of 19th Computer Engineering Students Congress

BİLMÖK — 6-7 May 2023

Interests

Swimming (Professional)	Reading	Music	Art
Photography	Winter sports	Cycling	Sailing
Traveling	Moto sports
